Letters

Expresses thanks

Editor:

On behalf of the Appomattox Garden Club I would like to thank the many people who supported our recent endeavor in presenting the Barter Theatre here in Appomattox on April 6.

"Tintypes," the production, was a musical revue of the turn of the century America and the audience was most receptive and appreciative of the Barter players.

It was because of the cooperation of our community- the businesses, the schools, the town police, the newspapers in Appomattox, Farmville and Lynchburg, the radio, the T.V., and especially the citizens of our town and county, -that this presentation of live theatre was a tremedous success.

The town group manager reported that the Appomattox audience was the largest group ever to be in attendance for a Barter town production.

That indeed says it all.

Thank you, the citizens of Appomattox, for your great support.

Sincerely,
Ruth'H. Webb, President
Appomattox Garden Club

Seeks survivors

Editor:

The 330th Bomb Group Association is trying to locate survivors of the group in the hope of holding a reunion for the first time since the Second World War. The 330th was on of the B-29 groups that bombed Japanese targets from its base on Guam in 1945. We've located more than 100 of the 2,000-odd air and ground crew who long way to go.

Our records show that amoung the 330th's people was a Corporal Dwight M. Paulette, of Appomattox. In the hope that some one of your readers might remember Cpl. Paulette and know where he lives today, I am writing this letter. If you'd be good enought to print it or comment on it in a forthcoming edition of the Times-Virginian I'd be very grateful. It's the only way I know of at the moment to locate this former Army Air Force enlisted man.

Anyone with information about Cpl. Paulette may write to me either at the above address or in care of Box 26511, Richmond, VA 23261.

Sincerely,
Don Murray
Richmond

Thanks extended

The Oakville Ruritan Club would like to thank all the good people who came to our pancake supper March 30.

You helped us raise a substantial amount of money, which was given to Linda Booth's family to help offset some of the expenses which were the result of her accident.

We were happy to help in this small way. Without your help, we couldn't have done it.

Sincerely,
N.B. Gagneur, President
Oakville Ruritan Club

Businesses praised

Editor:

Our Appomattox County businesses are to be commended for their generosity to community events.

The Appomattox County Garden Club went to the business community for the placing of ads in the program for the Barter Theatre production of "Tintypes". As always the business community responded in a most positive manner and without your generous support the program might not have been possible.

We wish to thank all of you for helping make it possible for the Garden Club to bring "Tintypes" to Appomattox.

Sincerely,
Sallie Burke
Program Chairman

Correction

In last week's **Times-Virginian**, a photo caption about a quilt which was used in a fundraiser for Linda Booth incorrectly stated that the quilt was made by the Henny Penny Extension Homemakers Club.

The quilt was made by the Extension Homemakers Council, which includes members of all local extension clubs.
